

## Family Escapes When Fire Razes Donner Dwelling

### Mother, Children Escape As Flash Fire Hits Donner Home

A two-story frame house owned by Lester Webb of Sacramento and occupied by Mrs. Dixie Levie and her two small children in Donner Lake was completely destroyed by fire Saturday morning about 10 o'clock. Loss was estimated at \$7500.

Mrs. Levie and the children had just returned home after spending the night with the former's mother. The little girl had gone upstairs and the fire broke out, apparently from a gas leak. Mrs. Levie rushed up stairs and brought her daughter to safety through the swiftly spreading flames.

Within minutes the entire structure was blazing and when the Donner Lake Volunteer Fire Department arrived it was too late to save anything. Chief Emery Lander directed the operations.

Chief N. F. Dolley responded with a piece of equipment from Truckee Department, but returned when a local alarm was sounded. The incipient fire here was in a tractor stored in a building at Hill Top Lodge. No damage was done.

## Study Of Housing At Tahoe Is Made

KINGS BEACH — Through the efforts of the officers and board of directors of the North Lake Tahoe Business Association, a complete and authentic housing survey has been made of the housing units in the area from the entrance to Squaw Valley on the Truckee River to Crystal Bay, Nevada, including the area as far as Tahama on Highway 89.

The results show that there are 2230 housing units in all with a capacity of accommodations for 6716 persons. This includes hotels, motels and resorts. Separate homes and dwellings will take care of another 1000 persons.

These figures will be increased by units to be built this spring and summer. The trailer courts in the area have a capacity of 260 spaces with plans for an increasing number to be added this spring and summer.

## MEDICAL STAFF IN TOUR OF VALLEY

A tour of Squaw Valley in connection with proposed medical emergency care during the Olympic Winter Games was made last week by members of the medical staff of the Organizing Committee headed by Dr. William Stiles, medical director; Dr. L. D. Nelson of Truckee, assistant medical director and Dr. O. Esslinger of the staff.

They were accompanied by James Turner and Chris Christensen, the latter director of the National Ski Patrol.

A complete program is being arranged by Dr. Nelson and Dr. Stiles.

## DONNER MAY FORM FIRE DEPARTMENT

At a joint dinner meeting of the Truckee and Donner Lake Volunteer Fire Departments Tuesday evening at Cozzi's, a delegation from Soda Springs solicited the advice of the organized departments on forming a fire protection unit on the summit.

The visitors were William Cannon, Clyde Burke and Art Coulard. Thirty-five attended the meeting with Chief N. F. Dolley of Truckee presiding.

## LIONS DISCUSS LOCAL PROBLEMS AT MEET

Ideas for the improvement of the community were discussed at the meeting of the Truckee Lions Club last night at Donner Lake Lodge when the session was featured by a round-table discussion.

Visitors at the meeting were G. W. Fowler of the new Alpine Riverside Hotel and William Benish of the B&B Truck parts Garage. Frank Fox presided.

## Veterans' Officer Will Visit Here On Friday

H. D. Nolen, Nevada County veterans service officer said he will be at Judge Fosten Wilson's office, weather permitting, to-morrow, January 16.

Nolen at that time will answer questions pertaining to veterans affairs.

## Enjoying South

Ben Lobnow of Truckee wrote that they are enjoying excellent fishing in the warm sunshine at Earp, California.

They plan to return here in the spring but in the meantime will keep in touch with local happenings via Sierra Sun.

## Marie Henry Given Honor For Work As Ground Watch

TAHOE CITY — Mrs. Marie Henry of Tahoe City who had more than 13,000 accumulated hours of vigilance in the Ground Observer Corps, was signally honored at closing-out ceremonies of the organization held at Hotel Mapes in Reno January 9.

The ceremonies marked an end of the mightiest civilian volunteer defense effort in the history of the United States.

Two others, Charles Hendel of Hawthorne and Robert Vice of Reno were also presented with individual achievement service awards by Brigadier General Curtis R. Low, commander of the 28th Air Division from Hamilton Air Force Base.

Mrs. Henry recorded 4,000 hours a year since volunteering her services and was awarded the certificate reading "Honorary Life Member of the USAF Defense Team."

The GOC has been active in the Air Defense Command for nearly nine years and Mrs. Henry and her family have almost single-handedly operated the post at Tahoe City.

There were some 150 air force and civilian volunteers at the get together with Lt. Dwight Smith, commander of the Reno filter center and GOC coordinator for Nevada officiating over the ceremonies. A. E. Holgate, Nevada public service commissioner, gave the keynote speech and stressed the need for the GOC to now turn their threat toward stamping out the vitality of communism and assisting in the civil defense program.

## Editors Make Trip To Approve Valley

Although they visited Squaw Valley at one of the few times in January when snow is replaced by torrents of rain, leaving the floor of the valley a "mess", the thirty or more sports editors from all parts of the country were high in their praise for the progress being made to host the 1960 Winter Olympic games.

The valley visit, sponsored by Harrah's Club, was staged Friday. A luncheon at Squaw Valley Lodge was one of the highlights, but the visitors enjoyed a conducted tour of the valley and scanned the various facilities nearing completion.

Most of the needed facilities will be ready in time for the North American Championship to be held in Squaw Valley from February 21 to March 3.

The newsmen were accompanied on the valley tour by a number of officials of the organizing committee headed by Prentise E. Hale the president.

Jack Geyer, public relations director officiated as master of ceremonies at the luncheon, introducing many of the officials present. They included Robert King, administrative director; Alan Ewen, assistant administrator; H. D. Thorpe, executive secretary to the California Olympic Commission; Lou Spitz, housing director; Clive Becker, tickets director; Martin Blatt, transportation director; Willie Schaeffer, ski events; Dr. L. D. Nelson, assistant medical director; Commissioner Walter M. Barrett and others.

All of the news writers expressed admiration for the work done and apparently were well pleased with their visits despite the rain.

## THREE BABIES BORN IN LOCAL HOSPITAL

Mr. and Mrs. Leo Smisek of Truckee welcomed their son, January 7 at Tahoe Forest Hospital.

Young Shane Alan tipped the scales at 5 pounds, 7 ounces on arrival.

Mr. and Mrs. Henry Daft, also of Truckee became parents of a daughter on January 8 at the hospital.

The arrival weight of Theresa Diane was 7 pounds, 3 and one half ounces.

The daughter of Mr. and Mrs. Kenneth Buckley arrived at the hospital here on January 11.

The little girl has been named Susan Angela and weighed a round 6 pounds, 5 ounces.

## Select Stock—

Mr. and Mrs. Charles Heller were in the bay district during the week selecting spring and summer merchandise for their Variety Store.

## Large Gain Shown In Local Traffic During Past Year

### 85,000 More Cars Counted Here Last Year Than During 1957

There were 85,063 more automobiles entering California over U. S. 40 through Truckee in 1958 than there were in 1957, according to the report by the department of agriculture. Strangely enough, however, there were only 13,732 more passengers last year than were recorded in the previous year.

The report shows that during 1958, 606, 046 autos, 44, 706 trucks and 8,891 buses, with a total of 1,742,984 passengers were checked at the Truckee quarantine station. During 1957, the report shows, 520,983 cars, 45,432 trucks and 8, 604 buses, with a total passenger count of 1,729,252 passengers were checked.

The Meyers Station on Highway 50 also showed a gain during last year, checking 195,026 cars during 1958 as compared to 179,015 for the previous year.

## DECEMBER COUNT

Another drop in local traffic was recorded for December when the count for autos went down to 30,010 as compared to 35,569 for November. However, last months count was considerably higher than the corresponding month for 1957 when only 24,078 cars were checked here.

The December check showed 3,430 trucks and 662 buses with a passenger total of 84,723. Only three other quarantine stations checked more cars during December than did Truckee. They were Blythe, Yermo and Winterhaven.

During December, the Meyer station recorded 6,836 cars, 542 trucks and 31 buses with passengers totaling 18,467.

## LAUREN RUSSELL IS NAMED MANAGER FOR INSURANCE CO.

The appointment of Lauren "Russ" Russell as local representative of State Farm Mutual Automobile Insurance Company and State Farm Life Insurance Company, has been announced by these companies.

The selection of Russell will provide top notch service to the many policyholders in this area. His business experience has made him well known in the community and as a Texaco dealer on Highway 40 for many years he has shown ability to make friends and develop a fine business. This experience will give him a background to build an agency typical of State Farm's growth pattern.

State Farm Mutual Automobile Insurance Company ended the year 1958 with over five million policyholders and stood first in the nation for the 16th consecutive year. The State Farm Life Insurance Company, with over a billion dollars of insurance in force, stood 34th among over 600 life insurance companies in the United States.

## EMERALD BAY ROAD CLOSED FOR WINTER

The division of highways announced today that two sections of State Sign Route 89 in the Lake Tahoe area have been closed for the winter. The sections closed are from Bliss State Park to Richardson in the Emerald Bay area and the route over Luther Pass which lies south from Highway U. S. 50.

These two sections of highway, officials said, are normally closed during the winter season. They will remain closed until the danger of all storms have passed next spring.

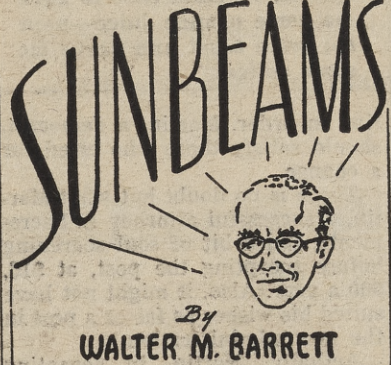

## TAHOE-TRUCKEE SKI TEAM WINS IN MEET

BY JOHN FIRPO  
TNT Sports Editor

The Tahoe Truckee Ski Team last Saturday took 1st place at South Tahoe in a cross-country meet with Reno and Sparks also competing.

The best individual time was by Doug Ball of TNT in 21 minutes and 56 seconds. Second best time went to Dave Small of Reno High School in 22 minutes 3 seconds.

Nicky Stone and Trent Giannini finished 3rd and 4th respectively for Tahoe Truckee also. Reno took second place team honors while Sparks trailed the pack in 3rd place.

Recently acts of vandalism committed by young boys with air rifles in various parts of the community have prompted local officers to issue a warning to parents. There is a section in the penal code which specifically prohibits the firing of any type weapon in a populated area and, where the act is committed by the boys, parents are held responsible. Last week a dozen windows were shot out of the Veterans' Memorial Building and tracks in the snow proved the damage was done by small boys. Of course, no one admitted guilt and the officers were at a loss to place the blame. However, they are alerting parents of boys with these weapons that future shooting will not be tolerated.

## Ron Cameron Gets Democratic Nod

AUBURN — Attorney Ron Cameron, 41, of Clipper Gap, Placer County, Saturday, was endorsed by democrats of three counties as their candidate to fill the unexpired state senate term of Harold Johnson, who was elected to congress.

Cameron was chosen on the first ballot. Placer, Nevada and Sierra Counties Central Committee delegates met in Grass Valley. He received 107 votes.

Tied for the runner-up position were Chief Deputy District Attorney Wayne Wylie of Placer County, Auburn accountant Ray Carlisle, and Sacramento State College senior Aldo Fineschi, who is a resident of Roseville.

Other announced candidates withdrew or failed to show. They included E. H. Spor, retired Grass Valley rancher; Marvin Haddy of Nevada City, and Henry A. Dunlap and Kenneth Cartenson, both of Roseville.

Johnson resigned a week ago and Democrats called an endorsement meeting for VFW Hall in Grass Valley to choose their candidate. Republican candidate is Weston Brunner, Grass Valley accountant, endorsed three weeks ago.

## TRUCKEE GIRLS ARE CHOSEN FOR CAMP

Judy and Linda Giovannoni and Dorette Rose of Truckee with five other senior Girl Scouts have been selected to attend the biennial National Senior Scout Roundup to be held for 10 days July 3 to 12 at Colorado Springs, Colo.

Girls from Reno, Yerington, Babbitt and Truckee competed for the honor and the winners chose on the basis of scouting and camping experiences, character and personality. They will go to the roundup as a patrol and set up and maintain their own camp.

About 7500 senior scouts and 1500 adults from all parts of the world will attend.

The local girls have been preparing for the event by attending weekend roundups, cookouts and special courses. At their last meeting Rollin Rather, a Babbitt fireman, gave a course in first aid and Mrs. W. Randall of Truckee instructed in the skills of teaching and song leading.

## PENINSULA SKI CLUB WINS SUMMIT MEET

SODA SPRINGS — The Peninsula Ski Club edged the San Francisco Viking Club, 237.3 to 272.8, here today in the traditional "Hang-over Race" at Donner Ski Ranch. Top man's time in the slalom was by Yasi Taramoto, Peninsula, 25.3 seconds, and top women's time was by Ruth Anderson, Vikings, 31 seconds flat.

## Wolverines Ready For Friday Game On Truckee Court

### Local Team Drops Two As Juniors Also Lose In Contests

BY JOHN FIRPO

Sports Editor Tahoe Truckee H. S. Losses were the only thing the Tahoe Truckee Wolverines could pick up last weekend as they dropped two contests to visiting clubs. Friday, they were edged 39-38 by the Carson City Senators. Next evening they fell at the hands of a powerful Winnemucca Buckaroo team, 51-27, for their first "A" conference loss in as many starts.

The first tilt saw both TNT and Carson tied at 9-9 at the end of the initial frame. Carson went ahead by 5 to take a 20-15 advantage at the half. Truckee bounced right back to tie up at the close of the third frame, 27-27. In the final and sometimes deciding period, Carson held a 39-36 lead with some 40 seconds remaining to play. The Senators had possession and immediately went into a stall with the Wolverines tying them up on a jump with around 12 seconds left. The Mountain Men controlled the tip and later scored with 7 seconds remaining on Craig Robinson's tip-in.

Saturday, a hot shooting, tall, and aggressive ball club from Winnemucca took on a frigid Wolverine club with the results turning out positive in the form of a 51-27 win.

The Wolverines could never get started as they trailed throughout, 19-5, 31-11, and 38-17. The home towners could only pick up one field goal in the entire first half. Coach Jim Brebner substituted heavily to find a hitting combination but this wasn't the Wolverines night. They went on to take small advantages of the Buckaroo subs and drop their first conference tilt, 51-27. High Point for Carson was C. Wilson with 15 while Craig Robinson had 11 for TNT (considerably below his average).

Rex Donaldson topped Wolverine scorers against Winnemucca with 7 points.

In the J. V. prelims the J. V. cubs also found themselves double losers as they first dropped a one point contest, 43-42 to Carson Junior Varsity, and then were stopped 38-30 by the Winnemucca Juniors. Richard Decker had 10 points against the Senators Jay Vey while Mike Robinson and Leroy Ryser tied with 8 markers apiece against Buckaroos.

Tomorrow night the Wolverines host the Yerington Lions and then travel to Al Tahoe to play their cross-lake rivals, the south Tahoe Vikings in an "A" conference clash. Both prelims begin at 6:45 Varsity games are slated for 8 p.m.

## DONNER DANCERS TO GATHER ON FRIDAY

The Donner Dancers extended a cordial invitation to everyone interested in square and round dancing to attend the January 16th dance at the Veterans Hall in Truckee, at 8 p.m. This invitation includes beginners as well as experienced dancers.

Tom Zemme of Reno, competent caller and instructor, will be on hand to teach some new dances and is interested in devoting time to beginners.

Everyone is welcome and sure to discover the creed—dancing for fun.

## MIKE SMITH FINISHES MARINE TRAINING

CAMP PENDLTON, CALIF (FHT NC)— Marine Pvt. Michael Z. Smith, son of Mr. and Mrs. C. Z. Smith of Truckee, Calif., was scheduled to finish four weeks of individual combat training January 5 at the Marine Corps Base, Camp Pendleton, California.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons. Trainees learn that all Marines are basically infantrymen, whether they serve as cooks, typists, truck drivers, or with aviation units.

## FOOD SALE

## Last Rites Are Held For Alice Brown

TAHOE PINES — Friends here were shocked to learn of the death in Sacramento of Mrs. Alice A. Brown, 80, a prominent local resident for many years.

Last rites were held in Sacramento and entombment in the East Lawn Mausoleum.

Mrs. Brown died in a Sacramento hospital following a brief illness. She was a native of Isleton where she was reared and lived for many years in Sacramento. During the summer months she operated a variety store at Tahoe Pines and was postmaster there for 15 years until about five years ago. She was active in Eastern Star affairs.

Surviving are two sons, Ted E. Brown of Sacramento and J. Raymond Brown of Los Angeles. She was a sister of Mrs. Blanche Brown of San Francisco and Ernest Pool of Benicia.

## INQUIRY CLASS WILL BE HELD IN CHURCH

An inquiry class on the teachings of the Catholic Church will start today at Assumption Parish with a meeting each Thursday evening from 7:30 to 8:30 in the parlor of the Truckee parish house.

Father Paul Roswog, assistant pastor, is in charge of the instructions which are open to non-Catholics as well as Catholics. Roswog said this provides an opportunity for questions and answers relative to the doctrine of the church. At this time each year, the classes are conducted to instruct those who wish to become members of the Catholic Church.

## DATE FOR ELECTION OF BOARD REVEALED

County Clerk John T. Trouner has advised the Truckee Fire Commission of the 1959 election calendar to select commissioners for the coming year.

The first day for signing nomination papers is January 23, and the final day February 13.

Unless there are more than one nominee for the position and no petition signed by five per cent of the voters requests an election, the supervisors may on April 1 appoint the commissioner. If an election warranted, it will be held April 7.

## SCOUT GOVERNMENT DAY IS ANNOUNCED

The annual Scout Government Day, sponsored by the Tahoe Area Council will be held Tuesday, February 10 in most communities of the council, according to Sheriff Bill Scott, chairman. The day is designed to give the Boy Scouts an opportunity to learn more about local government through participation.

Judge Fosten Wilson has accepted the responsibility for the affair in Truckee.

## Truckee - Donner Chamber Major Projects Named

### New Name Chosen During Busy Meet As Lake Is Included

Henceforth the Truckee Chamber of Commerce will be officially known as the Truckee-Donner Chamber of Commerce.

This was decided at a busy meeting of the chamber officials at a luncheon held at the new and attractive Alpine Riverside Hotel dining room yesterday, attended by some 40 members.

The action was taken when it was pointed out that the Truckee and Donner areas are closely allied in promotional activities and community problems. A survey conducted by President N. F. Dolley left no doubt that the change of name was a popular issue.

Dolley outlined eight major projects which will be undertaken by the chamber during 1959. They include:

- 1.—Spectator housing for Olympic Games.
- 2.—Providing adequate parking in the main business area of Truckee.
- 3.—A survey to determine the feasibility of incorporating the area into a municipality.
- 4.—Sponsor restoration of the historic rocking stone tower.
- 5.—Cooperating with beaches and parks in providing the museum at Donner State Park.
- 6.—A clean-up, paint-up campaign to improve the appearance of the town.
- 7.—Meet with the board of supervisors to urge local projects.
- 8.—Cooperate fully with local boards in an effort to improve services to the community.

## HOUSING PROGRAM

Mrs. Patsy Tonini, who has been appointed secretary of the chamber, announced that the booster organization has been officially designated as the spectator housing agency for the 1960 Winter Olympics. She explained that all local reservations must be cleared through the chamber and that the various types of housing will be designated by the chamber.

While the agency will have no control over changes, it will designate the type of housing offered and will so notify the applicant.

## PARKING PLAN

Dolley explained that the chamber will also act as representatives for the business people in procuring and financing a parking area where the Southern Pacific Hotel formerly stood. The financing will come from individual business and not from the chamber.

## Rain Melts Snow In Truckee Area

Precipitation in the form of rain, during the past week was 2.64 inches and the total for the month is 5.18 inches.

Normal for January is 5.88 and on Wednesday, according to Henry Toccalini of the U. S. Forest Service there were two inches of snow measured at the station.

Last Sunday the high temperature for the week was 51 degrees and the low of 18 degrees was registered yesterday.

## AUCTION OF CABINS AT DONNER STOPPED

The division of highways announced that the public auction scheduled for today to dispose of three cabins located on the right of way of a section of freeway on Highway U. S. 40 near Donner Lake has been canceled. Inclement weather made such a sale inadvisable, highway officials said.

Instead, the three cabins are being offered for sale by sealed bid that will be opened in the divisions Marysville office at 10 a.m. on January 21. Persons interested in bidding on the improvements are urged to contact the Division of Highways, District III, Marysville, California, to secure the required bid form.

## Artists Of Region Will Meet Here Tomorrow

A group of potential artists will meet tomorrow evening at 7 p.m. in Welch's Hardware store to discuss the formation of a cooperative art class, with the possibility of a professional artist as their instructor.

Mrs. Welch said that anyone wishing to begin painting or drawing is welcome to attend the gathering.

## STAR POINTS WILL BE HONORED BY O. E. S.

## AFFAIRS OF STATE

**Henry C. MacArthur**

**SACRAMENTO (CNS)** — Gov-  
nor-Elect Edmund G. Brown—sup-  
posed to be all things to all people  
—may have filled the bill in his  
recent appointment of a new direc-  
tor of alcoholic beverages control.  
It must be said, first off, that the  
ABC department, in existence only  
several years, has run without a  
hitch. No scandals have been  
breathed about past operators and  
the industry has seemed genuinely

satisfied with the administration of  
Russell S. Munro.

Thus the new governor—mind-  
ful of running a smooth operation  
and also mindful of putting democ-  
rats to work at jobs which have  
been held by republicans for 20  
years—had a problem.

How to maintain the status quo  
and satisfy the "big broom that  
sweeps clean" elements at the  
same time.

He apparently has done this with  
the appointment of Thomas W.  
Martin as director, and the reten-  
tion of Malcolm Harris as his  
deputy.

The operation of the department  
has been largely a professional  
one and Harris may be counted  
upon to keep this part of the opera-

## My Neighbors

"Greetings — Oh lovely  
spouse. Wouldst care to burn  
me some orange juice—pour  
me some toast and carve me  
some coffee?"

tion in order. Martin, a democrat,  
should satisfy those who cried for  
a change.

There is no doubt but what Mar-  
tin, a successful attorney in Sacra-  
mento, did a bit of soul searching  
before accepting the post, at \$16,  
500 a year. Also, it might not have  
suited his wishes as far as a post in  
the new administration.

Actually, Martin, in accepting  
the directorship of the department,  
is taking over a position he was  
instrumental in creating. As chief  
assistant to Brown, then attorney  
general, he spearheaded the south-  
ern California liquor investigation  
which brought about the so-called  
reform and divorced liquor control  
matters from the board of equal-  
ization.

But Martin says this has given  
him nothing but a good impression  
of the alcoholic beverages industry.  
"It is a great industry that needs  
the protection that good honest  
law enforcement can give such an  
industry," he said. "We found the  
great percentage of the industry  
was in business just like any other  
industry."

"There had been some people  
who had gotten into the business  
and had taken advantages of a  
loose situation," Martin continued.  
"Everyone wanted good law en-  
forcement but, in those times,  
there was little choice but to go  
along with the times. I think the  
industry was just as happy as we  
were to see it clean up."

Martin has been somewhat of a  
detective during his tour of duty  
with Brown. In addition to the  
liquor investigation, he directed  
the prosecution of the notorious  
Santo gang—the most ruthless  
gang of killers in modern Califor-  
nia history. Martin participated in  
their prosecution for the Chester  
massacre as well as in the murder  
of a Nevada City gold buyer.

In addition Martin led the pro-  
secution in a sensational case  
which closed the bordello row in  
historic Jackson.

However, Martin has not been a  
man to be classified as strictly a  
"cop," as some other figures in the  
liquor investigation were categor-  
ized. He can be expected to deal  
with the industry as a legitimate  
one and one not to be punished  
for dealing in liquor.

Actually however, if Brown ad-  
ministration reaps credit from its  
handling of the alcoholic beverage  
control operations, much of this  
must come from the legislature,  
which created the new department  
in the first place, and the Munro  
administration, which guided it  
through its first few years.

The San Francisco Board of Edu-  
cation comprises 124 schools, 101  
adult education centers and 23  
child care centers.

**STRICTLY  
STRICKLAND**

By Bill Strickland

The ski meets for the week-end were conducted in anything but ideal conditions. The once postponed Nordic combined at Heavenly Valley once again had the jumping competition postponed, due to lack of snow. Of course the jump hill is quite a bit lower in elevation

than most of the ski areas—around 6400' but even so it was disappointing to the many contestants who were once again denied the opportunity of competition. The cross country course was relocated at an 8500 ft. elevation. The extra altitude could have been a cause for slowing the time of some of the racers. It was necessary though or that meet would also have been cancelled. The course was two miles in length. Two laps were required for the senior competitors—one for the junior and high school competitors. Results were given by the lap and were quite interesting in comparing all classes. Winners in the events

listed in order of finish were:

**CLASS A**  
John Cress, Denver; Sheldon Varney, Heavenly Valley; Bryan Samuelsen, Peer Gyn; Rold Godon, San Jose State; George Sherrer, Unattached; Dave Pruett, Heavenly Valley; Harry Ericson, Reno.

**CLASS B**  
Doug Salter, Reno; Jon Madsen, Reno; Don Cronin, Reno; Roland Strains, Chico State; Dick Hamilton, Rubiyat; Dennis MacDaniel, Unattached; Art Brever, Unattached.

**JUNIOR & HIGH SCHOOL**  
Dan Hedlund, Heavenly Valley; Bob Strickland, Soda Springs; Doug Ball, Tahoe Truckee; Dave Small, Reno; Nick Stone, Tahoe Truckee; Trent Gianini, Tahoe Truckee; John Weber, Reno; Wayne Poulsen, Squaw Valley; Mike Davin, Tahoe Truckee; Jeff Thompson, Reno; Ed Oliver, Reno; John Nichols, Sparks; Bruce Menks, Reno; Jim Achesno, Reno.

Dan Hedlund and Bob Strickland and Wayne Poulsen, Jr. were running for points for the national meet. Danny's and Bob's 1 lap times compared very favorably with the senior racers.

The Sugar Bowl hosted Junior qualifications for this area via the Dick Buek Memorial Junior Giant Slalom. Fifteen year old Jim Heuga, Class II continued his winning ways by easily posting the days fastest time 1:19.5. Starr Walton continued to dominate the field of women competitors by posting a 1:23.7 for the second fastest time of the day. The above two youngsters are certainly the "Cream of this Area," or any other area.

A third race (Fun) was held at the Donner Ski Ranch. The Annual Peninsula and Viking Ski Club "Hang over" Slalom. The Peninsula-S.C. scored 237.3 to 278.2 seconds for the Vikings. Peninsulas' Yasi Taramoto's 25.3 seconds was fastest for the men. Viking Ruth Anderson sliced through for 31.0 to gain the fastest womens time.

Mammoth Mountain reports three feet of new snow on a three foot

pack. Their 10,000 foot elevation practically eliminates any possibility of the rain that has played such havoc with the lower portion of the Highway 40 area. Also, too much snow is the scourge of the Mount Shasta Ski Bowl. Not necessarily on the Mountain, but clogging the 14 mile highway with drifts up to 18 feet. Either a feast or a famine. Pass the aspirin!!!

The first Junior Alpine point meet will be held this week-end at Mammoth. Watch for Starr and Jimmy and Gary McCoy to predominate. A new Jr. III, for the first time, from the Reno Ski Club, will, we believe, finish high on the list. His name is Craig Holiday and he is a real whizzer. Also from Reno and a comer is Cindy Hart, daughter of Reno Ski Bowl's Warren Hart.

Also this weekend, another Nordic meet. This one at the Auburn Ski Club grounds at Cisco. This one depends a great deal also on the weather as it is below the 6000 foot mark. The cross country could be moved, if necessary, to Lake Van Norden. The Sugar Bowl has a 40 meter jumping hill which could be used too. Seems a shame to postpone in the area when other nearby developments have favorable conditions.

**WHAT'S DOING**

**Clock stopped?** Every day, thousands of folks here in the Pacific West get the correct time from us. In many places, they just dial a number. This connects them with a machine which automatically gives the correct time. In other areas, local operators are always ready to give you the time. Of course, you may not need to use this service every day — but it's nice to know the correct time is as near as your phone. And this service is just one of the many useful "extras" that adds value to your telephone.

Even when youngsters are almost grown up, out-of-town relatives who haven't seen them for a while may still think of them as small children. Keep the out-of-town folks up to date on all their doings. Telephone often. Let the whole family join in the visit. The cost is low — and each call helps keep family ties strong.

dents, bus and road conditions do present a challenge.

### SKI SHOP

Located in the basement of the Donner Ski Ranch Lodge for the first year by Frank Poelman Jr. of Sacramento Sporting Goods, a complete sales line of ski clothing and equipment is available.

### SUMMIT SIT

Because of the extreme weather which was present on the summit last Wednesday evening, the regular meeting of the Summit Sit was postponed until Wednesday, January 14.

### UTILITY DISTRICT

The Donner Summit Utility District held the shortest meeting in its history Tuesday January 6. The board of three directors met in the Donner Summit Lodge with their recorder Clyde Burke and two interested members of the community, John Johansen and R. Bisson.

### WEATHER

Weather here has been very discouraging for the past week. We had a good snowfall and were looking forward to a good weekend of skiing, but the rains came and the temperatures rose.

### SKI MEET

The Peninsula Ski Club will sponsor a FWSA District 5 giant slalom race for men and women class B and C racers on January 25. This race will be held on the slopes of the Donner Ski Ranch.

### BUEK MEMORIAL

In memoriam to Dick Buek, son of Mr. and Mrs. Carl Buek of Soda Springs who lost his life in an airplane accident at Donner Lake in the Summer of 1957 the Dick Buek Giant Slalom race was held at Sugar Bowl Sunday January 11. Sixty entries in junior classes 1 to 5 made for some stiff competition. Trophies were presented by Carl Buek and his wife.

## SAFE WALKING TIPS

SCHOOL

### PLAYING CHILDREN

When driving near schools or playgrounds, be especially alert for playing children. Youngsters, concentrating on their games, often are unmindful of the dangers of traffic. The pedestrian death rate for children between 5 and 9 years of age is higher than for any other age group up to 55.

Because these youngsters are less aware of the need to walk carefully, you, as a driver, should try to anticipate them. Drive slowly in school or playground areas, the American Automobile Association urges, and keep your eyes peeled for such warning signs as a ball rolling into the street from between parked cars or the sound of roller skates. Remember that the child struck down in a traffic accident could be your own.

## PRESIDENT NAMED LAKE GROUP MEMBER

**TAHOE CITY**—The Lake Tahoe-Sierra Chamber of Commerce today announced it has appointed President Dwight D. Eisenhower, California Governor Edmund G. Brown and Nevada Governor Grant Sawyer as honorary members to help focus attention on the 1960 Winter Olympic Games.

Robert J. McMahon, president, said the chamber plans to contract the postmaster general about plans for an Olympics-Lake Tahoe postage stamp to be issued next January.

Further plans are to enter a float in the Pasadena Tournament of Roses Parade New Years Day. The chamber is attempting to promote either Winter Wonderland or The Olympic Games as the theme for the 1960 parade.

"The prospects seem very good for all of these developments to materialize," declared McMahon.

"We are going to set up international signs for the foreign speaking visitors and will promote the restaurants and motels of the area which serve meals to have foreign language menus printed to improve the hospitality of the area."

Panama declared its independence from Colombia Nov. 3, 1903.

chief, respectively of the new Squaw Valley fire department, tell how the federal and state forest service had taken over protection of new installations completed or in the course of completion for holding the 1960 Winter Olympics Games.

Chief Gronenger said the two forestry services are combining in a contract with the Winter Olympic organizing committee for fire protection of a twelve million dollar investment at Squaw Valley and since the investment is by both the Federal Government and the State of California, the two forestry agencies are interested in protecting that investment. He said the fire department consists of a ten man crew of experienced firemen with two pieces of equipment.

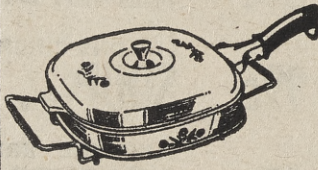

Both the chief and his assistant answered questions regarding operations in case of fires that might occur outside installations for holding the Olympic games. The reply was, "of course we would protect from fire districts in case of an emergency under a reciprocal agreement. The predominating question was, how will you get to a fire with such traffic conditions as now exist? The answers was that, we do have that problem now and something must be done about it and done soon.

Before the meeting local fire chief, Al Henry, showed the visiting firemen the new \$22,663 fire truck that had just arrived for Tahoe City Fire Protection District.

Bill Bechdolt presided in the absence of Martin Spitsen who was ill.

"This time I'll do the driving"

"That man won't do anything for a long time. Wonder how it happened?" Accidents happen in lots of ways—mostly when some driver acts without thinking. Last year, traffic accidents injured 1,400,000; nearly 40,000 died. Don't take chances! Why risk your life, or another's?

### WORSHIP TOGETHER THIS WEEK

Somewhere in your town a man you may have never seen waits hopefully for you.

He is a minister. A priest. A rabbi. A man used to speaking out... making decisions... taking action for himself, for his congregation and his community. But where you're concerned, he can only wait and hope you will come.

He holds something in trust for you—the powerful, crucial first introduction to Faith. And he is anxious to be able to pass it on.

The strength and confidence of Faith can mean many things to many men... and to the families who count on them. So together with your family start to find that Faith this week.

When the days of our lives are bright and sunny most of us pay little, if any, attention to Diet and "things spiritual." We are content to go our way feeling that we are quite capable of handling any problems which should come along. But sooner or later there comes a time of real or imagined tragedy and we call upon other sources of help. Pastor Taylor will discuss this situation in Sunday's sermon entitled: "Except, Sometimes, in the Dark."

## Tahoe-Truckee School District News

### TRUCKEE ELEMENTARY

KINDERGARTEN: Kenneth Grady made a fine suggestion that the children think of, and dictate the news items from now on. We start today. James Digesti—Santa Claus left a wheel-barrow for us boys to share. Donna Horman—He left a doll-buggy for us girls, but he should have left two, because there are twenty-two of us.

FIRST GRADE: Dennis Weiler has joined our class. We all had a very enjoyable vacation. In our "show and tell" we have heard about trips and wonderful toys. Larry Doyle told us about his ant colony which he received for Christmas.

Pupils who received perfect scores on word vocabulary tests this week were: Margaret McLane, Bryon Johnston, Kathryn Campbell, Larry Doyle, and Kent Mullis. Pupils who missed one word were: Kathy Barrett, John Poppe, Kathleen Collier, and Homer Owens.

SECOND GRADE: Best spellers this week are Mary Lou Randall, Phyllis Brown, Michelle De Lisle, Brian Smart, Kathy Decker, Sandra Eckerman, Curtis Melugin, Joe Mercia, Sandra Ferdinand, Curt Mullis, David Capel, Elaine Barnes, Curt Wurst, Tammie Richards, Monte Neugenbauer, Kenneth Weiler, George Francischini, Bruce Leaman, Jeffery Jellin, Kathy Stowe, and Elizabeth Richards.

THIRD GRADE: The class has constructed a postoffice directed by Stephen Schooley. Today, we have been learning the proper form of a letter. A postman will be elected Monday. We will take turns playing the important roll of clerks, mailcarriers, and postmaster.

THIRD GRADE AND FOURTH GRADE: The star spellers of our room this week are: Elgin Johnston, Bill Rose, Pam Horman, Linda Russell, Karel Sauby, Jill Wurst, Jack Melugin, Susie Olano, Cathy Braly, and Ronda Manley.

Jill Wurst brought in Chinese money and a Chinese doll for our foreign country display.

FOURTH GRADE: We have new pupils in the fourth grade. They are Linda Dallas and Stephan Weiler. Bruce King seemed to enjoy standing up during his arithmetic lesson. Johnny Hiatt and Pat Merica had a cooperative venture in writing a business letter. Ronnie Walker's reading and hard work paid dividends for him. Darlene Doolittle and Marianne Moore are the "shy" ones these days. We were all sorry to know that Eileen Olson has been ill.

FIFTH GRADE: With the basketball season through because of the snow covered courts the P. E. program now consists of ball room and folk dancing. Some of the top dancers are Dianne Pankoke, Betty Saarni, Anne Morey, Doug Nelson, Rickey Rolphs, and Creighton Lund. Music is provided by Disc Jockey Charles Trainor.

Fifth grade skiers Doug Nelson,

Billy Strickland, Betty Saarni and Monte Straub are eagerly awaiting the school ski program.

SIXTH GRADE: Pat Shane has transferred to the valley for a couple of months.

We had two movies today. The music and comedy was enjoyed by all.

### TAHOE LAKE SCHOOL

KINDERGARTEN: The kindergarten children at Tahoe Lake School reported a Merry Christmas and added, "We are glad to come back to school!"

As a result of the many games, songs and rhymes through the year each child made a perfect score on a test of number formation, recognition and concepts of numbers one through five.

FIRST GRADE: Tahoe Lake first graders who made stars this week on reading tests were: Sands Hall, Christina Keehn, Carl Larson, Dorothy Pomin, Lisa Beckman, Mindy Bechdolt, Nancy Beavers, Laura Hoxsie, Marvin Banta.

SECOND GRADE: Second grade winners in the language study in punctuation were Shirley Gratner, Jimmy Orr, Denise Kimball and Tony McLane.

THIRD GRADE: Class opened Monday with everyone present. The first period was spent sharing Christmas vacation experiences.

FOURTH GRADE: The following children received A's in a 111 word dictation in spelling: Jimmy Bechdolt, Dick Pomin, Lynn Harper, Darinda Stark, John Caulkett, Tad Hall, Paul Sullivan, John Carnell, and Chris Beavers.

### KINGS BEACH SCHOOL

Kings Beach School News "Dumb-bo" is the movie that will be shown in our multi-purpose room tomorrow night, Friday, January 16th at 7 p.m. Due to the popularity of this movie, the student council had to reorder it for your entertainment. Please come to see it, and tell your friends about it. Admission will be 25c for children of all ages and 50c for adults.

KINDERGARTEN: The kindergarten class built a "store" this week in their room. Craig Watson and Becky Anderson helped paint the cardboard counters black. Other boys and girls brought empty grocery tins, boxes and bottles to put in the shelves. A sign was painted and put upon the wall reading "Our Grocery Store".

Pictures of "wet chalk" were introduced to the class this week and Terry Wainscoat and Martha Pope were the first to try out the new medium.

FIRST GRADE: This week we are starting our Farm Unit. Today we wrote a story.

Janet Stumbo has been home ill. Toosie Speeter has been on a vacation.

SECOND GRADE: During art period we cut our original snowmen for our border.

The following children received 100 per cent in their arithmetic test this week: Lyle Draney, Linda Jephson, Cathy McIntire, Kathleen Critchley, Shelley Wilson, Pat Cinani, David Schrantz, Donna Martin, Dandra Martin, Debbie Hilgesen, Gregg Gunkel, Candy Ehlers, Jennifer Hoffman, Steven Krips, Pieter Van Tassel, and Lee Quartley.

THIRD GRADE: A new year is always a beginning. For our class we are back in the early ages studying about glaciers and dinosaurs. George Speeter has taken a trip to Mexico with his family. Diana Astel, Dwight Combs and Susan Tucker have been ill at home since vacation. We hope they will soon be back to school.

### RAIN AT TAHOE

TAHOE CITY — With four gates partly open, the level of Lake Tahoe Monday was 6227.36 feet, provisional and subject to revision. The two feet of snow which fell the previous weekend was largely dissipated by 2.63 inches of rain which fell during the past weekend. Temperatures during the week varied from 22 and Saturday to 50 on Sunday.

### NORTH TAHOE

By JUDGE HARRY CHARRISON

#### WEATHER

For the past few days we have had quite heavy rains but today, Sunday, was a lovely sunny day and the temperature being a little over 50 degrees. More rain and snow has been predicted.

#### CONGRATULATIONS

Carl and Nina Sorensen celebrated their 41st wedding anniversary on Saturday, 10th. We all wish them many more years of health and happiness.

#### IN HOSPITAL

We are sorry to hear that Ella Blake of Brassie Avenue is very ill in the hospital in Richmond, where she spends the winter.

#### FLEW EAST

Ray Plunkett of Incline Beach flew east last week end to be with his mother who is reported as being ill. We are hoping for the best.

#### TO SOUTHERN CAL.

Mr. and Mrs. Perc Waters have gone down to southern California for a few days, presumably to visit their children at Covina.

#### LATE NEWS

Have just heard of the marriage of the young daughter of Carl and Ethel McPhee on December 28th, 1958 in Reno. They are also residents of Tahoe Vista. We extend our best wishes and many years of happiness.

#### IN LAS VEGAS

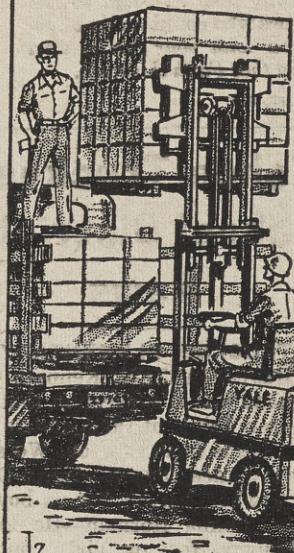

Eugene Jarvis is still in Las Vegas. We thought all the time that he was sailing around in Mexican waters. Anyway he is having a good time.

#### SQUAW VALLEY

Despite the rain there is skiing at Squaw Valley, however it is said there is lots of water to wade

### IN THIS WORLD

5,000 YEARS AGO, IN ANCIENT EGYPT, 100,000 MEN HAD TO PERFORM BACKBREAKING LABOR FOR 20 YEARS TO BUILD THE GREAT PYRAMIDS... THE EFFORT REQUIRED TO MOVE THE HUGE ROCKS WAS SO GREAT THAT HUNDREDS OF MEN WERE LITERALLY WORKED TO DEATH EVERY DAY...

TODAY, LIFT TRUCKS AND INDUSTRIAL HOISTS PRODUCED BY YALE & TORNE HAVE SO EASED THE HANDLING OF MATERIALS THAT A CONSTRUCTION CREW COULD BUILD THE PYRAMIDS IN THE TIME IT TAKES TO ERECT A MODERN OFFICE BUILDING...

YALE MATERIALS HANDLING EQUIPMENT WHICH CAN HANDLE LOADS UP TO 200,000 LBS., HAS GIVEN THE WORKING MAN NEW DIGNITY BY RELASING HIM FROM HIS ANCIENT ROLE AS A 'BEAST OF BURDEN'.

through getting into the resort.

#### MARCH OF DIMES

The mothers of the North Tahoe Area will make their house to house visits collecting for the March of Dimes on January 29th. Let's all cooperate. Also remember this date, January 30th, a March of Dimes benefit dance and buffet will be held at the Crystal Bay Club at 8 p.m. It is being sponsored by the VFW Auxiliary Post 7077. All proceeds will go to the March of Dimes. Don't forget the date and let's all join in making it a huge success.

#### WELL AGAIN

We are happy to hear that Winnie Croom has recovered from an attack of pneumonia. She has been quite ill for several weeks.

#### LIONS CLUB

The Lions Club held a ladies night last Tuesday at the Nevada Club which was a great success and lots of fun as usual.

#### BACK HOME

The Sam Harrisons left last week for their home in San Francisco after spending a month here. They, as usual, hated to leave and said they hope to make this their home as soon as possible. Sam wanted to know when it began to look like spring. Well, little signs have begun to look like spring. We have had a couple of big millers flying around the lights, a neighbor saw a squirrel running around and 'buds' on some shrubs, another said he was bitten by a 'mosquito' the other day and a woman in Reno had two 'robins' in her garden. Will keep you posted Sam. Today, Monday a.m. we are still having lots of rain. If all this had been snow we wouldn't be able to see out of our front window.

#### WATCH OUT

Watch for the Crystal Bay ads in this issue. Drive carefully during the winter.

#### RECOVERED

Had a nice letter from Ruby O'Connors, a former resident, and now residing in Oakland, telling us that her husband, John, has recovered from a very serious and long illness. He was able to return to work late in December—we are all happy to hear the good news and hope health will remain.

#### BREAKS WRIST

Our old friend, Dave Ashton, had the misfortune to have a ladder slip from under him last Wednesday night at Squaw Valley breaking four bones in his right wrist. He was taken to the Truckee Hospital where Dr. Prescott set the bones. He is coming along very nicely we are glad to report. Good luck, Dave.

#### ORDINANCE NO. 226. AN ORDINANCE ESTABLISHING A BUS LOADING ZONE ON THE STATE HIGHWAY IN THE COUNTY OF NEVADA

The Board of Supervisors of the County of Nevada, State of California, DO ORDAIN AS FOLLOWS: SECTION 1. A bus zone for the purpose of loading or unloading buses of common carriers of passengers is hereby established and described as follows:

Beginning at the intersection of the northerly line of Commercial Row (State Highway road III-Nev-38-A) with the easterly property line of Bridge Street (State Highway road III-Nev-83-A); thence easterly along said northerly line of Commercial Row 180 feet to a point.

SECTION 2. The word "bus" as used in this ordinance shall mean any motor bus, motor coach or passenger stage used as a common carrier of passengers.

SECTION 3. No person shall stop, stand or park any vehicle except a bus in a bus zone.

SECTION 4. This ordinance shall be of no force or effect unless the locality described herein is either sign posted or appropriately marked in the manner provided in Section 472 of the California Vehicle Code to give warning of the prohibition against said stopping, standing or parking.

SECTION 5. Any person violating the provisions of this ordinance shall be guilty of a misdemeanor.

SECTION 6. Any provision of this ordinance which regulates traffic or delegates the regulation of traffic upon state highways in any way for which the approval of the Department of Public Works is required by state law, shall cease to be operative six months after receipt by the Board of Supervisors of written notice of withdrawal of approval of the Department of Public Works.

SECTION 7. Whenever this ordinance delegates authority to a county officer, or authorizes action by the Board of Supervisors to regulate traffic upon a state highway in any way which by state law

requires the prior approval of the Department of Public Works, no such officer shall exercise such authority nor shall such action by the Board of Supervisors be effective with respect to any state highway without the prior approval in writing of the Department of Public Works when and to the extent required by Division 9 and Division 11 of the Vehicle Code.

Adopted and Passed by the Board of Supervisors of the County of Nevada, State of California, on the 2nd day of January, 1959, by the following vote:

AYES: Supervisors Smart, Bishop, Coughlan, Robinson and Loehr.  
NOES: Supervisors None.

Absent: Supervisors None.

### DRIVE EXPECTED TO CHANGE STATUS OF PARK COMMISSION

SACRAMENTO — (CNS) — An assembly sub-committee is expected to touch off fireworks in the early days of the 1959 season by beginning a drive to put control of the state division of beaches and parks under Gov. Elect Edmund G. Brown, rather than the park commission, now headed by Joseph R. Knowland.

The sub-committee of conservation, planning and public works, headed by Assemblyman Jesse M.

Unruh (D-Los Angeles), will introduce an urgency bill to give power for appointment of the chief of the division to the governor. At present it rests with the director of natural resources, although the selection is made by the commission.

Newton Drury, present chief who has been under attack from a sub-committee of Unruh's sub-committee, will reach the mandatory retirement age of 70 during April. He already has announced he will retire, effective May 1.

The sub-committee thus wishes to have the legislation changing the method of appointment of his successor in effect by May 1.

Bills enacted by the legislature normally do not take effect for 90 days after the session ends. However, an urgency clause, which requires a two-thirds vote of both houses, can make the legislation effective as soon as signed into law by the governor.

If the procedure for appointment is to be effective by May 1, the legislators also may have to sidestep another provision which prohibits acting upon a bill until 30 days after its introduction.

The sub-committee's plans also are reported to include a general reorganization of the beaches and parks section of the department of natural resources. It would relegate the park commission to an advisory capacity.

The commission at present has charge of selecting and purchasing parks and beaches. A number of legislators long have charged the commission pays no attention to legislative direction in carrying on its program.

### COST OF FISH FEEDING REPORTED IN DROP

Despite rising costs of labor, food and equipment, trout and salmon production by the California Department of Fish and Game in the fiscal year ending last June 30th achieved an average cost of 77 cents per pound of fish. This was a drop of eight cents from the previous year and set a record low figure.

At the same time, however, a re-

port by Robert Macklin and Robert Tharratt of the department's inland fisheries branch warned that further production cost reductions cannot be expected to continue in the face of ever-rising operating costs unless additional major increases in efficiency can be developed.

Sixteen per cent of the gross freight revenue in the United States is from agricultural products.

## PLANS PROGRESSING FOR ROTARY SESSION

KINGS BEACH — All members of the Brockway Rotary Club will be pleased to know the Fred Baker project was completed this week. Billy Martin hung out the Rotary emblem on the two signs announcing the meeting dates. One sign is in front of Brooklake Lodge and the other is just west of the new Mt. Rose highway.

March of Dimes is again here and the Brockway Rotary voted its usual check along with the fines for the evening. The meeting was held at Crystal Bay Club.

Plans are being made for the Rotary conference on May 15 to 17. The official uniform of the club will be red vests, dark pants, string ties and a derby hat.

Guests at the meeting were Bob Tonini of Tahoe City and Tom Sheehan of Lake Forest. The latter gave the club an interesting talk on "The Friendly Highway Patrolman."

The club plans to visit Sacramento to Rotary on February 4 when the international president will be there. A bus will be chartered and all those wishing to attend may contact president Alan Sklar.

## Andersons See Officers Installed By Bay Lodge

TAHOE VISTA — Mr. and Mrs. Dan Anderson spent the weekend in the bay area visiting their daughter and friends. The main purpose of the trip was to attend installation of officers of Bethel No. 88, Order of Job's daughters in San Leandro. Their eldest granddaughter, Susan Walsh, was installed as fifth messenger.

On their return the Andersons attended the monthly dinner meeting of the 1958 patrons of Eastern Star and their Trailers in Yuba City. The junior grand patron, George Danielson and his wife of Modesto were present.

## FILMS WILL DEPICT REGION ADVANTAGES

TAHOE VISTA — At a meeting held January 6, of the board of directors of the North Lake Tahoe Business Association, an enlarged program of activities for the promotion of the north end of Lake Tahoe was announced.

President Tom James stated that the motion picture that is being made with scenes from Donner Summit, Donner Lake, Truckee River, Lake Tahoe, Mt. Rose, Carson City, Virginia City and Reno will be enlarged and extended to include sound, narration, music and color.

This picture will also depict in addition to summer activities the winter sports. Wollin and Hart Motion Pictures Inc., will have their camera men here in February to take the winter scenes and after these shots are taken the picture will be completed and should be ready for distribution in the early part of the spring.

Mr. and Mrs. Henry Strelow of Donner Lake were recently visitors to Inglewood.

## Fish Plant Meets Are Discontinued

Robert D. Montgomery, regional manager for the department of fish and game, has notified sportsmen's clubs and others that the annual fish planting allotment meeting which have been held in previous years in various locations in Region II will not be scheduled in 1959.

Montgomery said the reason for discontinuing the meetings, which first drew large and interested crowds had dwindled. He said that during 1958 ten such meetings were held and were attended by a total of 239 people.

Headquarters personnel during 1958 devoted a total of 56 man-hours and field personnel 45 man-days to the allotment meetings. He said this was costly for the benefits gained.

Montgomery said the region is still interested in expressions of opinion from the sportsmen and suggested that their wishes be relayed to the local warden who will transmit the information to the fisheries management personnel. All recommendations must be submitted prior to March 1, to permit analysis prior to the completion of the allotment schedule, he said.

## TRUCKEE ESCAPEE IS SENT TO SAN QUENTIN

NEVADA CITY — William Chester Lewis, 33 of San Jose, Santa Clara County, has been sentenced to San Quentin Prison after pleading guilty of escaping from custody.

Lewis escaped while shoveling snow in Truckee, during his first two weeks of serving his one year sentence on a charge of drunk driving and driving without a license.

His whereabouts was learned when he started serving a drunk driving jail term in San Jose.

The prison sentence was imposed by Superior Judge Vernon Stoll.

## ENTERTAINERS DRAW CROWDS TO LODGE

CRYSTAL BAY — The Art and Lana Brunner Duo, vocal and instrumental stars of T. V. and movies, continue to draw big crowds to the popular Nevada Lodge, the beautiful year-round resort hotel casino at the North End of scenic Lake Tahoe.

The duo, two of the most talented entertainers seen here in many years, have come up with a whole new crowd-pleasing show for their second week stint at the fabulous Nevada Lodge.

The fun filled show features Lana Brunner as a musician and singer backed up by Art Brunner on vocals and accordion. Art also doubles on the trumpet.

### Patients Here—

Mrs. Rex Reid and Mrs. Evangeline Hallett of Truckee were reported to have been patients at Tahoe Forest Hospital this week.

## NEW SENATE REPUBLICAN LEADERS

## BIRTHDAY SLALOM SCHEDULED SUNDAY

Squaw Valley's annual Birthday Giant Slalom, due to be staged Sunday over terrain slated for in the 1960 Olympic Winter Games is shaping up to be one of the most important events of the young ski season.

According to co-chairman Bill Briner and Gordie Butterfield of the Squaw Valley-Lake Tahoe Ski Club, the race has been tabbed by the Far West Ski Assn. powers as a "must" event for those senior skiers and qualified juniors who are out after a berth on the United States Olympic Alpine squad.

## POULSEN OPPOSED TO PLANNING IN SQUAW

AUBURN — Wayne Poulsen of Squaw Valley has informed supervisors that Placer County Land and Livestock Company favors a master plan for the surrounding area but is opposed to one filed with the county by Lawrence Lackey.

He says Lackey's plan purports to represent the views of the Squaw Valley Property Owners Association, but has never been approved by the majority of its members.

Poulsen said he favors more local participation in any plan which may be formulated.

The master plan is before county planning commission.

## TAHOE WOMEN'S CLUB HEARS OF CONCLAVE

TAHOE CITY — The Women's Club of Tahoe held their January meeting in the home of Mrs. Wesley Donaldson at Pineland when they heard Mrs. Fred Pedley, president of the Sutter district speak of the convention to be held this spring at Fresno.

The hostess served refreshments at the close of the program. Mrs. James Martin said an announcement of the February meeting will be made at a later date.

## WILLIS HEVEL RITES HELD AT WOODLAND

Willis Hevel, 86 and well known former resident of Tahoe City died the latter part of December at Auburn and last rites were held at Woodland.

Lake Tahoe friends have extended their sympathy to his family. He was the husband of Nora Hevel Auburn; father of Harold Hevel, Yuba City; Lowell Hevel, Woodland; brother of Nellie Smith, San Francisco; Elmer Hevel Santa Rosa.

### Recuperating—

Mrs. L. D. Nelson is recuperating at the home of Dr. and Mrs. Harry Allison in San Leandro after undergoing surgery at the Eden Community hospital for a shoulder disorder.

### Mrs. Besio in Hospital—

Mrs. Angelo Besio underwent an operation at Tahoe Forest Hospital on Friday and her friends were glad to learn that she was reported to be on the way to recovery, earlier this week.

### Halls Visit Idaho—

Mr. and Mrs. Robert Hall and their daughter Miss Renee Hall returned from Pocatello, Idaho where they visited their son in law and daughter, Mrs. and Mrs. Keith Stewart, later visiting relatives in Ogden.

Mr. and Mrs. Max Bretzfelder of Tahoe City were recent visitors at Beverly Hills.

## Jack Starratt Is Named On Group

John L. Starratt, proprietor of a general merchandise store at Tahoe City, and a former University of Nevada skier, has been named a member of the organizing committee, VIII Olympic Winter Games. His appointment was announced today by Prentiss C. Hale, president of the committee.

Starratt, 44, a native of Nova Scotia has been in business in Tahoe City since 1940. He played hockey for schools in Canada and was later graduated from Truckee High School, Sacramento Junior College and the University of Nevada where he was a 4-year member of the ski team. He also coached at Reno High School for two years and taught skiing at Arizona Snow Bowl, Flagstaff; Mt. Rose, Nevada; and Soda Springs, Calif.

A charter member, and now director, of the Squaw Valley-Lake Tahoe Ski Club, Starratt was co-tournament director of the National Alpine Championships in 1956, and the 1957 North American Championships at Squaw Valley.

As a member of the Organizing Committee, Starratt will assist in the planning and staging of the winter games, scheduled February 18-28, 1960 at Squaw Valley. He lives in Tahoe City with his wife and their two children.

## TAHOE PTA PLANS MEET ON JAN. 22ND

TAHOE CITY—The PTA will hold their next meeting at the Community Center, over the post office, on January 22 at 7:30. There will be baby sitters provided at the Tahoe Marina behind the post office.

At the last meeting of the Tahoe Lake School PTA the subject of joining the national PTA or of forming an independent organization was discussed. No definite decision was arrived at and a committee was appointed to look into the pros and cons of the matter and report at the coming meeting.

The committee members are Ernie Marier, Mrs. Mable Neilsen, George Day, Robert McLane, Mrs. Afton Sprague, Phillip Howard, and Jim Reynolds.

## HALF-TIME EVENTS FOR LOCAL GAMES

Two special halftime events will take place Friday night, January 16, at the Tahoe Truckee High School as the Wolverines host the Yerington Lions in conference basketball games.

An exciting 8th grade basketball game will be played by picked teams during intermission of the Junior Varsity tilt, while Ross and his jazz combo will entertain during halftime of the varsity game. The combo features Price on sax and piano, Tim Johnson on piano and bongos, Doug Ball on bass and Todd Bales on Drums.

## Know Your Neighbor Is Theme Of Lake Meeting

CRYSTAL BAY — A dinner and entertainment in the Know Your Neighbor theme will take place at 7:30 p.m., January 16 at Crystal Bay Club, a non-profit affair sponsored by the Lake Tahoe Newcomers club, Mrs. Maxine Bacus announced.

Other Lake organizations will be represented. It is open to established residents and will serve as an introduction of newcomers to the community.

Mrs. Frank Torsak will show colored slides of an African safari. A nominal charge will be made for adult dinners, a smaller sum for child's plates.

The White House is known officially as the "Executive Mansion." system started January 1, 1912.

## SIGN COMMITTEE AT LAKE PLANS CHANGES

KINGS BEACH — The Highway Sign Committee, headed by Jack Brown, is planning to increase the number of highway bulletins which now number seven, to a total of 10. These signs are located at strategic points stretching from Winnemucca, Nevada to San Pablo Bay in California.

The copy is changed to conform with the seasons and at present show skiers in action. It is felt that they create a great deal of good will and attention to the area.

Mr. and Mrs. James Walker were San Francisco visitors early this week.

Vinds at Bay— Mr. and Mrs. J. P. Vind and Mr. and Mrs. Chas. Vind have returned from a business trip at San Francisco.

### CARD OF THANKS

For the kindness and care I received while a patient at the Tahoe Forest Hospital and to the many friends for their good wishes, I take this means of saying thanks.

## PRESCRIPTIONS ARE FOR PEOPLE

I've yet to hear anyone brag about "the wonderful buy" he had got on a prescription. Even though it eliminated pain or improved a condition of ill health, no one brags about prescriptions!

Still, if one were to think of the good that prescriptions do, they should be acclaimed by everyone. They halt disease, they save lives, they improve health and they, in many cases, shut the door on crippling disabilities. Unpraised, they do their best to help you or your loved ones back to the greatest of gifts—good health! Unsung, they fight unseen diseases to give you a longer life and the better health to enjoy it.

So think highly of your prescription. Value it as the great result of man's knowledge in the conquest of disease. Recognize it as a tribute to the individuality of man, for it was made for you alone. Regard it as one of your best purchases.

Treat it with the same respect we gave it when we filled it!

TARZAN EXPLAINS THE PHENOMENON OF TARZANLAND.

HOW NATURE CREATED THEIR LOST WORLD CRATER ISLAND, AND ITS DEEP CRATER LAKE, FIRES ITO'S IMAGINATION.

**TARZANLAND'S GEOLOGY.**

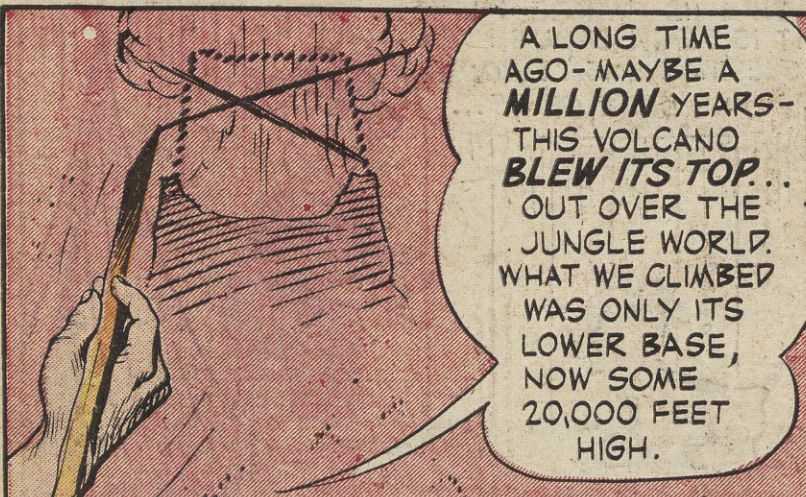

I'LL TRY TO DRAW FOR YOU, ITO, SOME DIAGRAMS SHOWING HOW THIS LOST WORLD SKYLAND WAS CREATED.

HERE IS WHERE WE CLIMBED THE OUTSIDE WALL OF WHAT WAS ONCE A GIGANTIC PREHISTORIC VOLCANO—TO THE HIGH RAVINE BETWEEN TWO PEAKS WHERE THE GIANT LIZARDS ALMOST STOPPED US. BUT...

A LONG TIME AGO—MAYBE A **MILLION** YEARS—THIS VOLCANO **BLEW ITS TOP**... OUT OVER THE JUNGLE WORLD, WHAT WE CLIMBED WAS ONLY ITS LOWER BASE, NOW SOME 20,000 FEET HIGH.

1-18-1454

AS WHAT WAS LEFT OF THE VOLCANO COOLED INTO ROCK AND ASH, THERE REMAINED—HERE—A COLUMN OF **VERY** HARD CORE ROCK, CALLED BY GEOLOGISTS THE VOLCANO'S 'PIPE'. BEING SO HARD, IT BEGAN TO STICK ABOVE ALL SOFTER ROCK. WHEN THE HISTORIC PEOPLE FOUND IT, THEY USED IT FOR A FIRM BASE FOR THEIR PALACE.

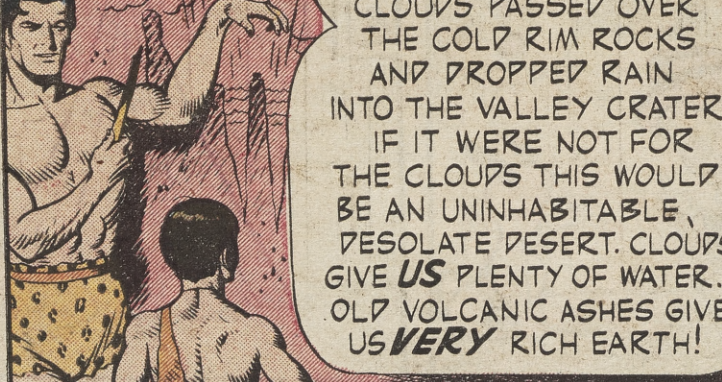

BILL ELLIOTT JOHN CEARVO

BUT, TARZAN, THERE'S DEEP WATER NOW AROUND THE ISLAND'S 'PIPE'... **DEEP** WATER!

CORRECT, ITO! OUR CRATER LAKE CAME FROM THE SKY, WHEN WATERY CLOUDS PASSED OVER THE COLD RIM ROCKS AND DROPPED RAIN INTO THE VALLEY CRATER. IF IT WERE NOT FOR THE CLOUDS THIS WOULD BE AN UNINHABITABLE, DESOLATE DESERT. CLOUDS GIVE **US** PLENTY OF WATER... OLD VOLCANIC ASHES GIVE **US VERY** RICH EARTH!
